Highest power,
lowest price tag
Made in Germany

The highest power, a low price tag and cost-efficient needle cartridges

Artyst is the answer for anyone looking to work budgetproof and prefers German quality over Asian machines. Artyst is a family brand of the German producer that develops Nouveau Contour machines for 25+ years. High quality and design at a great price-value. Delivered to you with Nouveau Contour service.

Artyst. For anyone looking to work budgetproof and prefers German quality

Artyst is a family brand of the German producer that develops Nouveau Contour machines for 25+ years. With Artyst you can work with a first class device, made in Germany at the lowest price in the industry. Artyst has a super low vibrating yet powerful ergonomic handpiece with 3.5mm stroke length: tattoo power! The answer for anyone looking to work budgetproof and prefers German quality over Asian machines... Delivered to you with Nouveau Contour service.

Needles

The highest power and 18 cost-efficient needle cartridges to choose from, starting at €1,15.
